“ I lived in Sumter from 1962 until 1964. I started lifting weights at the YMCA with a friend David Hodge who was on the same football team as me. One day these two guys came in the weight room and started posing in front of a mirror. They were awesome. I found out one was named Thames. All the years, I wondered where they were. Wow what a small world. I would love to speak to one of the family. My name is Gene Huckabee-843-861-2939.
