“ Dear Gainey family, it was a great sadness to hear of your loss of Mike. I knew Mike from his work as an Application Engineer at Saint-Gobain. He worked for me for a few years, we traveled together to cutting tool accounts and we grew as friends. Mike was determined, articulate, intelligent. He had a great sense of humor and quick smile. Always easy to talk to. Always a good story to be told. I will miss Mike and you have my heartfelt sympathy. Joe Paquette
