“ Oh my dear friends, I was so sorry to learn of your precious loss. How many wonderful childhood memories I have growing up with you all, and what wonderful parents I thought you had. I know your heart has broken. When we lost Mom, I'm sure it felt the same as you do now. I hate that I live so far away that I was not able to show you how much I truly cared. Aunt Mryt was a Saint in my eyes, and I'm so sorry for you're hurting. When I lived in Mrytle Beach, she would come when Mom came to see us several times. It was always wonderful to see her joyful face. I loved her as a precious saint, that I had the pleasure of growing up around and growing up with some of you. So to all of you I give my heart of compssion and hope you can find strength in our LORD. I was told when a saint comes home the angels has a Hallelujah party. So I know when they learned she had returned home they had the best celebration of all times. I wish I could personally do something to help, but, time will help, and also prayer. I promise. Which doesn't mean the love fades, it just means GODS promise is true. That HIS grace is sufficient. Take care my dear friends. I send my love to you all, Ramond, Joyce, Tracy, Jody and all. Please let GOD help you heal. With love and many plesant memories in my heart. With love and blessings Debra and Family###imported-begin###Debra (Warren) Crowley###imported-end##

My thoughts and Prayers are with YOU and all of your Aunt Myrtle's family. Thank you so much for sharing the poem you wrote in honor of your Aunt with me. It was so touching and heartfelt. I pray that God will give each of you the strength and courage, peace and comfort in the days and weeks to come. I did not know until I read your Aunt Myrtle's obituary of all the ones she was related to that I know. Please know that I love each of you and will be thinking about you all at this difficult time. “ Tracy, Joyce, and family--I am so sorry about Ms. Gainey. She will truly be missed by everyone who knew her. While growing up, as you well know, she was one of our neighborhood moms. Now, she is in heaven with the rest of our moms who have passed before her. I loved her dearly and I will miss her tremendously. The only good thing that come out of this is that she is no longer in any more pain. She is now beginning to live her life with our lord and savior. If I can do anything for anyone in the family, please don't hesitate to call or come by the store (IGA). I will do whatever I can for you, if it is in my power. You are all family to me. You will be in my thoughts and prayers. I love you all.###imported-begin###Christine Brigman Wilson###imported-end###
