

Mrs. Nellie Harrison Flaherty

January 4, 1927 - April 9, 2018

Mrs. Nellie Harrison Flaherty, 91, entered into rest on Monday, April 9, 2018.

Nellie was a devoted daughter, wife, mother, grandmother and great grandmother who loved her family unconditionally. Her wit and sense of humor made a lasting impression on those whose lives she touched.

She was cared for by her loving family, her recently “adopted daughters” Dawn Anthony and Jackie Kennedy and her extended family of devoted caregivers at Morningside Assisted Living.

In lieu of flowers, donations can be made to Embrace Hospice of Hartsville, SC or the Honor Flight Network.

Following our parents wishes, Nellie and John will be celebrated in a private family interment service.

Mrs. Flaherty, the widow of John W. Flaherty, is survived by her daughters and son-in-law, Donna Lee Gardner, Susan (Richard) Montague; son and daughter-in-law, Michael J. (Betsy) Flaherty; special niece, Eileen Crusan; grandchildren and spouses, James (Laura) Cervi, Christine (Thomas) Atchison, Marie (Bryan) Fox, Andi Elizabeth Rhykerd; great-grandchildren, Jackson Cervi, Olivia Cervi, Kaitlyn Fox, Kendall Fox, Thomas Atchison, Jr.

Brown-Pennington-Atkins Funeral Home is serving the family.

“*Mrs. Flaherty, my sweet lil mama, oh how I'm missing you so. I miss our special time away from the norm, your smile, smirks, gestures and those many winks you would give me.*

Caring for you was enjoyable, fun and sometimes probably aggravating for you, because I was so darn determined for your openingness to warm up to me. Once you let me in, it was all the way baby cakes.

You could tell when something was on my mind and I could yours. You would look me in the eye, pointing that finger saying to me.. "I know, I know" and I'd smile. We always complimented one another on our love for fashion, we did it our way!! I will cherish our cuddling while watching the Price is Right or Dr. Phil, me brushing your beautiful hair.

Mrs. Flathery, I want you to know, you made me feel good about myself and my purpose of being a caregiver, but most importantly, I felt like a friend well loved.

Until we meet again! xoxo

“ *I remember your mom always being a part of the gang when Susan and I got together. She was ageless. I just remember laughing with her and hanging out with us. It made me feel grown up as a teenager and I'm sure it made her feel like a teenager, too. She was a delight to know and I am so sorry we won't hear her laughter here on earth.*
