“ *To Mrs. Carolyn and family,*

*I am so sorry for the loss of your mother. I know that she will dearly be missed. When I told Tyler and Coby, they were very sadden to know that the she had died. They loved the little time they spent with her at your house. I just wanted to say that your family will be in our prayers. We love you very much!*

“ I would like to express my sympathy to the family. I hope you are finding comfort in the time you spent with your dear loved one. Please find comfort in the hope expressed in the Bible at Revelation 21:3,4 where it tells us that mourning, pain, and death will be things of the past. I hope you find comfort in this hope. Feel free to email me to comment or if you have questions. Again, please accept my condolences.##imported-begin##Margaret##imported-end##
