*I met Nick about 30 years ago and we instantly became friends! He was so intelligent and had a wonderful sense of humor! I was shocked and saddened to see this-I know Nick suffered a lot during his life on this earth but he certainly knew how to make others feel better about themselves. He's at peace now and I hope the family knows that he will suffer no more and if I know Nick - he will be watching out for us - like a guardian Angel! Love ya Nick and will always remember you!*
