Sweet Pea, you made my heart break and smile as I held you last night. I cried for your Mommy, Daddy, your big brother, your Granny Carolyn, Pa Dewayne and for all of us who won't have the chance to love and kiss on you as you grow, yet the smile you left behind is the fact that you did exist, you did fight and you made the journey that we all who are left behind must do. You are healed now as you meet family already there. Your existence and your presence will never be forgotten and we will see you again one sweet day. RIP Sweet Pea as your heavenly Father and all of heaven loves and cherishes you in our place.
