I am so saddened to read of your loss...My thoughts and prayers are with you and if you ever need someone to talk to...I'm just a call away. I pray that you will find comfort in your memories and the love you shared in the days ahead. Since I lost my own daughter 3 years ago and my mother not very long after that death does not break our bonds of love. May God bless and keep all of you in his loving arms.

“ *Just one more day.It would never be enough. He designed his last days to insulated the pain he was enduring. A heroe in my eyes is the legacy he leaves to me.A dedicated family man to the end. I cannot think I am alone in this perpspective.*

That laast father/daughter dance at the wedding was a memory I'll cherish. Heartwarming, but so very bittersweet.

I can't wait t see him again and to goes fishing one more time.

I love you all. You are our family and this loss is felt a long ways and will for a while.
