“ *Aunt Ola was a very, very special lady; one of a kind. Her family was the most important thing in her life. She was one of the most self-less people I have ever known. She did whatever she could to help anyone in need. She always ended our conversations with "I love you. If you need anything, call me" and she meant that. Her smile was contagious, and she always had that smile on her face. Although her presence on this earth will be greatly missed, there is some comfort in knowing that she is now reunited with her sisters and other family that has gone on before her. Uncle Jerry, Paulette, Woody, and the rest of the family....I pray for peace and comfort that only the Holy Spirit can bring during such a difficult time as this. I love you, Aunt Ola.*
