“ *Saddened to hear of Mrs. Timberlake's passing. She was such an influence on all who had the honor of living in the same neighborhood with her. She was one of the kindest most gracious ladies I have ever known. A completely genuine person. No matter how much time had passed since you had last seen her, when she asked how you were doing and what you had been doing, she was truly interested and listened intently. She will truly be missed, particularly by those who were lucky enough to call her friend and a mentor in our life. While the angel's of Heaven rejoice, most of us will be shedding tears for we have a lost an angel among us.*
