“ Bert and I grew up together, more as brothers than as friends. After my mother died when I was 7 years old, Marion and Lib virtually adopted me and it has been a matter of pride for me that Lib always introduced me to others as her "Number 2 son." I will always be grateful to her for the love she shared with me when I needed it most. She was a great example of self-sacrificing love and I will miss her deeply

So sorry to hear this. She was a precious lady. I haven't been able to see her since the shut-down at The Retreat, but those Sunday afternoon sing-alongs were very special. She was always there waiting for me to start playing. I have such wonderful memories. Prayers for the family during this time of grief. She will certainly be missed.
