“ Tommy, Terry and family,

I have such fond memories of working so many years with Onell at City Hall. We were such good friends and had lots of talks and lunches. I know she was a Christian woman and she loved her family very much. I will always remember all those good times.

With love,

“ *I so hated to hear of Ms. Onell's passing. I have such wonderful memories of the vacations that we all had together growing up. Whether it was the beach or the mountains there was always lots of laughter, food, fellowship and most of all love for each other. Ms. Onell was so pretty and sweet; one of my favorites. Our community was the very best growing up each of our families were looking out for each other. Time is flying by , but God has given us wonderful memories to cherish and that is a true blessing.*
