Lee Beason was one of the men that had an impact on my life. As a young man just out of High School Lee influenced me to join the Air Force. My first military haircut was with Lee at my side. That trip to the Air Base lit excitement in me that would eventually lead years later to my enlistment into the USAF. I served for 4 years to come out with Aircraft experience that led to 35 plus years in aviation and my ability to support my family well. What if Lee had not taken time to spend a few moments with me. Lee was that kind of Man. As the years past we didn't have much contact but I still look up to the man that took time for me. He loved his family well. My heart goes out to his entire family. May Gods Blessings be on you as you go through this time.
