“ Lee will be so missed . Every time I would see him he would give me a big hug. One time my granddaughter was with me and she says mom mom whose that man hugging and kissed you. I loved him a lot . When we grow older time gets away and we lose track of each other. But when we were young we had fun. I will always remember you young. I will see you in heaven some day. Sandy and family if there is anything I can do to help let the family know.
