“ I was Patty's friend in high school at West Union, Ohio I was saddened to hear of her passing. She was a wonderful friend. She was so smart and fun to be with. I lost contact with her over the years, but have many happy memories. You have my sympathy and I know she is in a better place and pray that your hearts are comforted.##imported-begin##Sharon Corrill West##imported-end##

“ My prayers are with you as you grieve the death of a truly wonderful Christian woman. Pat meant so much to me in the encouragement she always extended. When I visited her in the hospital, she had words of wisdom that will always remain with me. I do look forward to meeting Pat again in heaven, for I know she is there now with Jesus.##imported-begin##Judy Yardumian##imported-end##

“ Dear William, Ty and Wes, words are indadequate to express our love and sympathy to you during this difficult time. Pat was a very special lady, and we and the entire church family are broken and in a state of shock. Only God can heal a broken heart and our prayer is that He will be with you during the difficult days ahead. He is our only source of strength and He will see you through this. Yes, Pat's radiant smile and laugh will be missed, but Heaven is enjoying her presence and she is now free from pain.

God bless each of you, and please let us know if there is anything we can do to help you through this difficult time.

Love and Prayers,

“ It is with deep regret that I read of Pat's death in the newspaper this morning. Pat was a student of mine at MUSC/FMU and I know what a special nurse she was and how important her family was to her. You have my deepest sympathy and may your love and that of your friends support you doing this most difficult time.
