“ Ms. Pat, what a beautiful person you were from the inside out. How I enjoyed all the good times we had and the memories that were made that I will never forget. You were a true friend indeed. I loved working with you but more than anything I am thankful for our friendship. I will miss our talks for sure but I know you are happy and smiling down upon us now. I will miss you but will see you again someday. Love you, Jan

“ *I will never forget the memories made with you and Uncle Melvin. Some of my favorite childhood memories were made at the lake house. I still remember the time I hid when it was time to go back home because I didn't want to leave. Forever in our hearts, we love and will miss you dearly.*
