“ Know that our thoughts and prayers are with you during this time of such sorrow and pain. Words don't come so easily @ times like this, But somehow you should know that the the kindest thoughts are close beside you now, and you should know that others feel a special loss as well, and understand more fully than words could ever tell.

*Remember that you are never alone, for God is always with you.*

*Know that you are in our prayers, now and always.*

*Earths loss is Heavens gain, and in knowing this, let that bring you comfort with this great loss of your loved one, and our sister in Christ.*

“ *Jamie, David, Tina, Glen, Dawn & Family,*

*We are thinking of you all during this very sad time. A special angel was added to Heaven yesterday, and a very sweet, loving, kind saint was taken from us all. I was so very blessed to have known your mom, I always thought of her, and loved her, as my aunt. She always had a kind word. Her excitement for us when I daughter was born, meant more than she probably knew. I hope that you find peace in knowing that she and your dad are watching over you from above, and that one day, we will all be there with them.*

“ Davis, Jamie, Glen, Tina, Dawn and Cotton, I won't say I'm sorry. I know that Sister Patsy is in a better place and she has waited so long to see her husband and Sister Brenda and Paulette. I can see her sitting right over there in the last service, listening to Brother Jerry preaching about what it was going to be like when we all get to Heaven. I know how much it hurts to lose your mother, but take comfort in knowing that she has waited a long time to be where she is and it is such a better place than here on Earth. I know that she loved you all very much and she was such a special person. Please don't hesitate to call me if you ever need anything or just need to talk. May God bless you all.###imported-begin##Chris, Beth, Sarah and Caroline Gainey ###imported-end##

“ *Tina & Family, I was very shocked to hear about Mrs. Patsy. I knew that she had health problems but this is truly a shock to me. We talked sometimes when she was visiting the doctor and from these conversations I can tell you that she loved all of you alot and she really loved her grandbabies! They were always the center of the conversations! I know that she will be missed. My prayers are with all of you, Love, Rhonda##imported-begin##Rhonda Spradley##imported-end##*

“ *Dearest Children,  
My most heartfelt addened feelings go out to you. I am so sorry that this has happened, especially to the grandchildren. I know she loved all of her children, and especially her grands. They will miss out on a lot, not having a healthy grand to do special things with them. Try to keep her memory alive for them by telling them all about your fondest memories of her. I missed my moma so much, I never talked about her to Rhett and Melissa much. I reget it now. Time is too short for regrets. God be with you all and please remember that God keeps His promises and soon, very soon He is going to tell Jesus to go get their children and bring us on home to Him.  
If your Mother could come back and tell you anything now, that would be it! Be ready. My best to Billy Joe.  
Love you,
