“ *Mrs. Yearly was a kind, beautiful, thoughtful person and neighbor! We have wonderful memories of growing up next door to her. We remember Tanya and us raking leaves into piles. Then we would get on the swings and jump out of the swings at the highest point, falling into the piles of leaves and scattering them everywhere. Mrs. Yearly enjoyed watching us laugh and play.*

Tanya, you are in our thoughts and prayers. Your mom will be greatly missed!

We love you!

“ What a wonderful friend who I first met in January, 1973 along with Aunt Alice, when I went to work at Nytronics. I left for the last time in 1988 and we rarely saw each other afterwards but we were all excited when we did. Your Mother had character and integrity and was a smart person who really worked hard all her life. I was really thankful to see y'all recently. Pray for your strength and comfort at this time and particularly for the grandchildren.

“ Tanya, I am so sorry for your loss. I remember just how close you were to your mom and dad. What a blessing they were to your children. Years ago I just remember your mom at your house all the time watching the kids when they were very little. She was so sweet and caring. I know this season is so very difficult and though we have not seen you guys in years ,my heart hurts because I know just how much she meant to you and your family. We will be praying for all of you.
