“ *PAUL I miss and love you so much. The grandbabies are wanting to know where Papa PAUL's at. I tell them you are their guardian angel now and you are in heaven looking down on them. Our house doesn't feel like a home anymore sense you're not there anymore. There's not a day that goes bye that i don't sit in the same place where i lost you that day .Baby i miss you so much i still can't beleive you're gone. I think of your family alot. It's sad people coming around thinking their wanting to get stuff, and she wasn't wanting anything but money to start with but i'm looking out for you baby. Just like you've always done for me*

I LOVE YOU PAM

“ Doug you will be greatly missed. I know we weren't still together but, we did have a beautiful daughter together. I will always love you and you are greatly missed. One thing for sure I can always look at Summer and see so much of you. Always loved and never forgotten. Doug please know that we all miss and loved you very much. My prayers are still going out to your family and I know they love you very much. I also knew you very well and I know you wanted happiness for Summer and I will see to it for you that she remains happy. Summer misses and loves you very much. Help her heal Doug be her guardian angel and always look over her and let her know you are there. We love and miss you.

“ Though I have not seen Doug in many years my heart breaks to hear that he has passed. His incredible smile and bright blue eyes I will always remember. He was almost always upbeat with something funny to say. I know he is going to be missed by so many. My prayers are going up for all of you who loved him. God bless
