“ *My thoughts and prayers are with Beth and all of Paul's family. Paul and I were friends for over 20 years. Paul truly was a good person and a friend that you could count on. Lots of time and distance has come between us and we didn't get to see each other much as we would have liked for a while but managed to stay in contact. We had some great times and I have memories that will last and I will cherish for a lifetime. Until I see you again, RIP and fly high my friend!*

“ Sorry to hear of Paul passing away. We served in the National Guard together he was a good person and a great soldier. I have not seen Paul in years. He had a good sense of humor and would always put a smile on your face. I will be praying for the family during this difficult time. Rest in peace my friend.
