“ Peggy was one of the most loveable person I have ever known in my life! She was always there for anyone who needed her! She was the type of person that would help you before herself! She was a very good friend to me, and I am going to miss her so much! The Lord said "My Father has many rooms in his house".. and I bet he gave her one of the best ones,just so she can finally take it easy for being such a sweet person! I love you, and I miss you deeply! See you soon! Love Darlene

“ The list of the things that will be missed about this beautiful person could go on forever! For me, it's going to be her early morning coffee on the porch, her smile and contagious laugh! Most of all and for me the most importantly I'm going to miss my friend! I love you Peg, give everyone a big hug and tell them we will see them soon! Oh and you and Ronny, save the rest of us some fish!
