“ Dear Family, our heartfelt prayers are with you today and have been with you for months now. Peggy was one of the dearest friends I've ever had, we were like sisters.....you know how time and miles separate even the best of friends, well that happened with Peggy and me. We talked a lot about getting the whole ole gang from Wilkes Chapel togeher again but something always came up and we never got it together. I know Peggy had a tough time these last few months and couple of years, my prayers have been with her and she's been in my thoughts almost daily. I believe she is whole now and happy with our Lord in Heaven and we can see her again one day and be with her in that land of no more parting, no more crying and no more pain..I have this hope and I will cling to it! Vermelle, Carolyn, Marilyn, Roy, Dale and Harold, you are all in my thoughts and prayers and I love you all just like I loved Peggy.
