“ Collin, we have been thinking of all of you since Petes illness and wanted you to know how much respect we had for your Father. During my Sonoco days, I had the privilege of working with Pete during his time with the paper group. I could not of asked for a better working relationship and had nothing but high regard for his management style.
Myra, how wonderful for you and Pete to find each other during such an important time in your lives. We are so sorry for your loss and know you will cherish the wonderful memories you shared. Lee and Margaret Lanier

“ Dear Collin, Melissa, Hayes, Weston and Myra,
What a tragic early loss of such a warm, caring, funny, handsome,
loving man! Guess I knew Peter all my life as we grew up together
in Hartsville and shared many happy memories from HHS days, and
with Pete and Carol before her untimely death at an even younger
age. I still miss her so much, and now with Pete gone, it's hard to
take.

*Myra, Pete found love again with you, and his time with all of you
here in Charleston was especially fulfilling and happy. Our son Rob,
who is building a house on Daniel Island, said he enjoyed seeing
you and Pete at all the basketball games since Hayes and Cole
were on the same team. Our entire family sends our love and
sympathy to you, and pray that the memories you have made
together will sustain you through this heartbreak.
Much love, Jeannette and John Alexander*

“ *I am sorry to hear of your loss. The death of a loved one is one of the most devastating experiences a human can face. At times, the loss can seem unbearable. The Bible promises; "God is near to the brokenhearted." It also says; "Throw your burden on God and he will sustain you." I hope this message can help you cope with the loss of your loved one.*
