“Michelle, Michael, Eddie & Freddie: I knew you years ago when your mother and I were young women (we were the same age). I just today learned about your mom's passing. I am so very sorry. I was married to Neal Player, a nephew of your grandmother, Mildred. We used to visit at her house and Daddy Ben's in the "60's and 70's. Again, I am so sorry.

“I was so sorry to read about your Mother. It has been a lot of years that your family has been such a part of mine as I grew up living next door to Daddy Ben Gardner, he had a good aim with a sling shot. My parents were James and Vivian Ross. David was in school with me and was my Dads best friend. Phyllis was a couple of years older than me, so I loved to see what she was going to wear. It's times like this that brings back so many memories, and I am sure that is true for y'all. It means a lot to me when others remember my family that has passed.

God bless all of you, He will sustain you.

“ *The Chandlers were our across the street neighbors many many years ago. I have great memories of growing up with Phyllis and David. I had lost track of her until last October when my Dad was in Morrells Rehab. It was so good to see her sweet, smiling face. She remembered my dad, and he remembered her. Every time she would come down the hall and pass his room, she would peek her head in and ask about him.. She was a lovely sweet person and I know that she will be missed by so many people who she touched in her own special way. God's blessings to you all.*

Freddie, Michelle, Michael & Eddie - please accept my sincere condolences on the loss of your precious mother. Phyllis & I go way back - to the first grade at Thornwell Elementary School. We would often walk to each other's houses to play. For several years, we lost contact. When I was in rehab at Morrell a few weeks back, we renewed our friendship. I'm so glad I was able to see & talk to her Thursday. Harry & I will be praying for all of you. Love - Wayne Stratton Wallace
