“ I'm so sorry for your loss. Phyllis was my grammar school Friends and she was fun outgoing and loved life and country singing. Loretta Lynn was a person she could sing almost just like her. The last time I saw Phyllis was at Green Hill Church she came to watch out Christmas play that was a few years back. Heaven has gained another beautiful soul in the singing choir to make beautiful music without Heaven. Phyllis my friend until we meet again. Your North Hartsville Elementary School friend. Judy Collins Bryant. You are Loved my friend.

“ *I have comfort knowing Phil is with her Eddie's now even though her passing brings so much sorrow to everyone that knew and loved her. I have very fond memories with our sweet Phil. She and I shared a lot of time together over the years and we loved each other she was and will always be so very special to me. We had so much fun together it was never dull I loved her so much! She loved to sing Pasty Cline and boy could she sing it, chills run over me every time I heard her but many that knew her well heard her sing her song she wrote about her and Big Eddie now that was my favorite. I used to aggravate her saying come on sing it one more time lol she would say heck you sing it to me. She was so much fun and she loved with her whole heart I know she is in a better place but will be dearly missed by all. I send my love to all the family especially Matt, Pa Ray and Pat I will keep you all in my prayers. Love this lady until the end. RIP beautiful lady! All ways and always yours, Denise*
