“ Glenda and Charlie, the sorrow that I feel for your loss is so deep that I find it difficult to put into words. I know that your sense of loss goes so much deeper and leaves a void that can never be filled. I hope that one day your grief will allow you to begin remembering the happy times that all of you shared. Chad, I also, have lost a sibling. So I have an understanding of the pain and tremendous sense of loss you now feel. I hope that, in time, your memories will focus more on the good times you had with brother. You and Woody were blessed with wonderful parents and I hope that the loving bond between you will help each of you through this difficult time. I want all of you to know that you are in my thoughts as you deal with your loss of a much loved son and brother..... Your past babysitter and forever friend, Elaine King
