“ Lynn,

*I am sorry to see that your mom passed. The last time I saw her was at my mom's funeral. I know you will miss her.*

*A remember I have of your mom is that one day on the Byrdtown Academy bus I had to use the restroom and got off at your house and she was waiting to scare you and Nolan Jay and instead I came in and she didn't know what to say. The look of surprise on her face is one I will remember.*

“Hearing of the passing of Quinn has brought back lots of precious memories for us. My husband (father), Craig fox hunted with William Ike for many years and our families became very close. We thought the world of them and know that you will miss her deeply. We send our heartfelt condolences and prayers for comfort during this difficult time. God bless you all.
