I will always love and him. He has always been a great uncle too me.He did more for me and with me than my own dad.I will always cherish the fishing trips you always took us on growing up.I know you are in a much better place now and not in pain and ably to breath now. Will always love you rest in peace.

It's been quite some time since I last saw randy. The man I knew was always so sweet and kind and full of love. I hate to hear he wasn't doing well and in pain. I won't forget the memories I do have with him. My thoughts and prayers are with the family. Rest in peace randy, love you.
