“ Brenda, Duck and I were very sorry to hear about Randall. He was a good man that will surely be missed by family and friends. I grew up on the "Mill Hill" with you both, and many years later Duck met Randall when they were both working at Beneteau. Randall was living in NC and we were in Hartsville. They figured out that hometown connection and became freinds. What a small world! I hope that you find peace in knowing that he is in a better place.##imported-begin##William and Jean Gulledge##imported-end##
