“ I wish I had met you under the circumstances of a forever memory but I'll take what I can get. I'll run with the memory of meeting you for the first time and driving all around town to find your favorite ice cream to surprise you with. I'll run with the memory of you fishing with your boys for the last time. I'll run with making homemade taco soup that you enjoyed so much. I'll run with the beautiful memory of seeing how much you're family loved you and that's enough for me...
