“ *My brother's wishes was not to be cremated. He wanted to be barried with his mother. And his home town was not Charlotte NC it was Patrick SC!! He lived with his other sister and did not care nothing for Charlotte!! What his children are doing is WRONG and should be stopped!! Wendy Boatwright*

Cremated or buried in a plot, what remains is nothing more than a empty vessel. Your brother is no longer a part of this earth but is at peace in the presence of our Lord. Find peace in that fact and seek comfort amongst your family as you all share in the pain of his departure from here. Know that to be absent from the body is to be present with the Lord. There also with yall's mother. You are all in my prayers.
