“ Judy, Richard and I are praying for you during this time of great loss. I remember Randy back in high school, cutting up in the halls, making everyone laugh. You and I were so fortunate to have found our soul mates hand picked by God. My older sister, Martha, is praying for you too, even though you never met her. She lost her husband, Mickey about two months ago (only 56). He had a double-lung transplant about 4 yrs ago and went into rejection last year. The road ahead will be hard, but God will bring those funny, special memories to you for comfort. I hope to be in Hartsville soon. Maybe I'll see you in the near future. As your long-time-ago best friend, I love you and will keep on praying during the coming days. email me anytime if I can share an encouraging word. “ Judy & Kayce,  
I'm so sorry to get the news of Randy's passing. I am thankful that they Mine's family was part of my life and all of you were good neighbors to me when you lived on Kelleytown Road. Randy was more than a good neighbor. From day one he welcomed me into the neighborhood and was always willing to help out when I needed another helping hand. He did those things without giving it a second thought and without asking for anything back. That is seldom found in the world today. I remember when Randy use to sit at the wooden picnic table and talk to me about everything undere the sun. Again, I value that today as him being a good friendly, caring neighbor. To this day when I see that smae picnic table, my mind races back to those days. I remember Randy as he was then and I know he is in a better place where he has no more pain. My prayers and thoughts are with you both and the entire Mines family. Strength be with each of you.###imported-begin##Dale Shropshire###imported-end##

“ Dear Judy, I was deeply sadden when I received the news of Randy. I guess I didn't relize he was so sick. He NEVER seemed sick when I would often see him during lunch at the Mini Mart. We often talked of our children and he would always ask about my brother and sisters. He was such a caring person. Just remember all the great memories you had and talk about them often.  
I'll be thinking of you and Kayce.

“ To the family of Randy,

*I am very sorry to hear of Randy's passing. I remember Randy from many years ago and heard he was our neighbor. I saw him riding his golf cart many times in the neighborhood, but I did not realize until now that was who it was. I always said I would give him a copy of a picture he and Joey probably hadn't seen in many years, if I had his email address. It was a 1966-667 Civitan Little League team picture. I didn't know if he still had it, but I figured it would bring back some pretty good memories of a more simple time. As things always seem to go it's too late for that, but maybe all of you can smile a little bit in these very difficult times looking at something from his past. I have posted it in the photo section of his BPA photo album.*

*Our thoughts are with each of you.##imported-begin##Joel and Robin Griggs##imported-end##*
