“ Pa Ray was one of a kind I remember the first day Andy introduced me to him I was so in love he reminded me of my grandpa Ray yes they were a few great Ray's and a new one in my precious new grandson Avery Ray! Ma Pat I know how much he loved you Woman that's what he would call her most of the time or wife to all that knew and loved him so much. I loved him so much he and I were very close and he called me Floss and I loved hearing him say it! He was one of a kind and so special to so many I guess that's why I feel so blessed to have been a special part in his life for so many years. I have so many good memories with him, our Sundays watching old westerns so loud Uncle GW could hear it at the store and watching and helping him get ready for his beloved fish fry gatherings he loved them so much getting all his friends and family together as one was something that will stay with me forever the unity of everyone together. I find peace knowing he is feeling no pain and he is with Phil smiling and laughing with nothing but happiness to fill eternity! He will be missed but loved all ways and always! Loving you forever your Floss
