“ Kathy, I'm so very sorry. I know you and Lauren, especially, will miss Brian immensely. I have many memories of Brian as he would be at our house with Arden when we were young and through the years at our grandparents' house. He always had that sly smile. Please remember what I told you on the phone, and let me know if I can ever do anything for you. You are also family and have always been so sweet to me. I love you and am praying for God to give you strength and comfort to make it through these next few days, weeks, and months.
