“ *Back in the late '60s or early '70s, I called Reed too catch up. He excitedly told me he had just gotten a new dog for rabbit hunting , and asked if I wanted to go hunting. Of course I did. I don't think we saw any rabbits that day; but I did enjoy spending time with Reed and watching him train his new dog .*

*Reed's mother, Helen, was our den mother in Cub Scouts; I remember her as a lovely and charming woman.*

*Rest in peace, Reed, rest in peace. We are the better for your having passed our way.*
