“ Missing you soooooooooo much momma..... take care of Aunt Elma now that she's with you, I love u sooooooo much! your grandbabies are sooo big now and miss u bunches too. It was really hard walking back through those doors today to make Aunt Elma's arrangements.... It was like I was walking back through a vivid dream and all I could see was your visitation set up. It's gonna be so hard not having either of you now.
