“ *I'm sorry to hear about Renee's passing. I always see her on Facebook speaking letting us know how's she's doing. She used to take pictures. She was the one who had taken my 1 st baby's pictures and she had done a wonderful job. So we have those pictures still and that's my memory of her. Plus we all had lived on the same neighborhood. My prayers are with the Hoffman family and Sim family . Renee you will be missed through Facebook and as family because all of us were family in our neighborhood in midendorf sc...
Now God has taken that pain that you were going through ...*

“ *Even though she was really my cousin by my grandma's sisters daughter, I always called her my Aunt Renee. She was always there for me and encourage me and lift me up during dark days and never judged me and was a lot of fun regret not seeing more of her. She is happy now with Chris, Larry, Tommy , her mama and her sister . Love you, Aunt Renee you did a great job while you were here on earth. I know God said good job, my faithful servant..*

I am deeply saddened to hear of Renees' passing. We grew up in the same community and we were high school classmates. She was a really sweet person and will be missed by her family and friends. I will be praying for her family and friends that have suffered a great loss!

“ *Renee walked by my side for eight years as Mother and Frank battled dementia. She took so much of the fear and responsibility off my shoulders and carried it for me. I am so thankful she was part of my life.*
