*,
My heart is broken at the loss of Dr. Bailey. There are no words to ease your pain. But God is watching over you and we are praying for Him to comfort you and give you His peace. You are in our thoughts and prayers. Please know how much we love you.*

Dr. Bailey was one of the most godly men I know. He baptized me when I was a young girl and then performed my wedding in 1984. Dr. Bailey was my pastor and my friend. I don't ever remember my family having a loss/sickness and him not coming by for a visit or calling on the phone. He always supported the members of his congregation to the best of his ability.

Reading through the comments you can see how much Dr. Bailey was loved and respected by everyone who knew him. His love for God, family, and friends was evident in the way he lived his life. I love and respect him; I will miss him greatly. Dr. Bailey touched more lives than anyone can count.

Dr. Bailey, what a joyous celebration you are having in heaven! You are no longer in any pain or suffering. And I know, because of your ministry and obedience to Our Lord and Savior, I will see you again one day.

My boys attended church with my parents over the years. They also ate breakfast with Dr. and Mrs. Bailey on several occasions at the Carolina Lunch. They thought as much of the two of you as I do.

Dr. Bailey, we love you and you will be missed by all who knew you.....

“ Dear Mrs. Bailey, Dwain, Fran and Shan,

I am so saddened to hear about Dr. Bailey's passing. The last time I saw him was when he and Fran came to my Mother's funeral visitation in August of last year. I was surprised and happy to see him, and even though it was a brief visit, we did have a few minutes to reminisce and talk about my upcoming 50th HHS reunion, at which he was to speak. Dr. Bailey was my 8th Grade Homeroom Teacher at HHS, but he was much more than a teacher...he was a kind, caring and compassionate man who was a devoted husband, father, grandfather, and a pastor and a friend to so many people. The floodlight of his soul, his love for Jesus Christ, always shined brightly as a beacon of strength and hope for all who had the honor of knowing him. I know, without a doubt, that if Dr. Bailey had not been so diligently faithful in witnessing in church about Jesus to my Daddy, then my Daddy would not be rejoicing in Heaven today, and for that I am eternally grateful.

As we all join together to celebrate Easter, the Resurrection of our Lord and Savior, Jesus Christ, may we also rejoice in knowing that Dr. Bailey's Homegoing was heralded by angels as he entered into his glorious eternal home, Heaven, and heard Jesus say, " Welcome Home, my good and faithful servant."

My husband, Ray, joins me in sending our love, deepest sympathy and prayers.

“ Mrs. Lily and Bailey Family, Dr. Bailey will be greatly missed by many and I will miss seeing him at Carolina Lunch eating breakfast and the encouraging words of support he always gave me about the Embrace Hospice ministry.

On behalf of Embrace Hospice and the Howard Family, I would like to express a heartfelt sorrow for your loss. In the book of John chapter 14, reminds us that in My Father's house there are many rooms; if that were not so, He would have told us and He has gone there to prepare a place for us and He will come and receive us that where He is we will be also.

Family, this earth is not our home and we are only passing through this land, so hold on to the promise. My prayer is that God will hold you close as you press on.

“ Mrs Bailey & family, I'm so sorry to hear of the passing of Dr Bailey. Mrs Bailey, He, & you were an inspiration in my life by the Godly lives you lived. I do have a good preacher, but no one will take the place of my first preacher. Dr Bailey led me to the Lord & Baptized me when I was 12 years old. He assisted in my marriage in 7/2/1977 (along with my deceased father-in-law).. After I was married & moved I st think of him when I sit in my church. I loved his sermons.

I have memories starting from,, the first church in the old house in Morton community Circle & when the other 2 churches were built. & the Sunday morning Preacher Bailey anounced he completed his degree & then he was Dr Bailey..

My Prayers are with all of your families during this times & days to come..

with love

“ Lillie Mae, I just learned of your husband's passing from Phil Whittle of Hartsville. You and my aunt, Betty Winburn, were dear friends and you often came to visit Betty at her home on Marlboro Avenue. Perhaps you were not aware of Betty's passing last April 18th. She left her husband of 55 years, Ray Williams, and a son, Chet, and two beautiful granddaughters. I remember well your happy and cheerful disposition. May you find peace and comfort in the promise of the gloriouos resurrection and your blessed reunion with your sweetheart.

There is not enough space anywhere for me to write all of the memories that I have of Dr. Bailey. He was my second Daddy. He baptized me...he officiated my my wedding. I can't tell you how many times I've been out to eat with his family and spent the night...played with Dwain and Fran and Shan until dark almost daily. He drove Dwain and me to school in that little white Falcon and shaved with an electric razor while driving. He is so loved and will truly be missed....but he is not hurting, not sick and is young and healthy and happy. I love you Mrs. Bailey, Dwain, Fran and Shan. You were so sweet and good to him and he knew it...and he loved you. I will see you all this coming Easter weekend. Praying for a gentle day for all of you. Love---Sarah

I have known him and his family all my life as we were neighbors from the time I was born till they built their house across from the church. I remember many camping trips that our families went on with a smile. Mrs. Lily Mae's stern loving way and Dr. Bailey always in his dress shirt and slacks. When we were little this was strange but as we got older it became the norm. My dad gave him such a hard time but loved him like a brother. If someone does not believe in heaven they never met this great man. He is and always will be in our hearts known as Preacher Bailey. A man of true honor and love of spreading Gods word. In our times of loss, we can sometimes find ourselves overwhelmed with feelings of confusion and sorrow. Hopelessness and despair may well up in our hearts, and it can seem as though comfort is beyond our reach, but as Jesus Christ tells us, “Blessed are they that mourn: for they shall be comforted.” (Matthew 5:4)
