Mom, a big part of why Ricky was your sunshine was you and how you raised him. We are blessed to have you as our mom and I wish I could soothe your pain. You would have been so proud of all the wonderful things his friends said about him. Love you.

Mr. and Mrs. Haley, Ricky Haley was my best friend. I still finding it hard to believe myself. Ya'll raised him well. He raised his children the same way. I am very blessed that God allowed Ricky Haley to be apart of my life. He taught me so much. And for that I am grateful. I will never meet no one like him. Praying for the family in the days ahead. We can do all things through Christ Jesus.

I'm so sorry for your loss. Ricky was my pal in high school. He sat behind me in Mr. Childers' geometry class. He was always eating caramels his Mom packed for him to put on weight for football. He loved wearing his football letter jacket. Such a sweet guy. A great athlete, and all around good guy. He had a great attitude and loved CHHS. RIP my friend. Go Bulldogs!

I am David Gudger and knew Ricky very well; Tim Norris, Ricky and I (the three of us) are pictured together when we were in RO systems class at the plant sometime in 1985 (in his tribute Memorial Video). All of us were young operators hanging out together and spent a lot of our free time together too. Ricky was highly thought of as an especially smart, gifted, and easy going person. My wife and I spent many trips together with Ricky and Beth during those years! My memories of Ricky are cherished, and now that much more with the sad news. Sincerely, David T. Gudger

*Just brought myself to watch the video. Very nice. Ricky would be pleased. So sorry for my boys, Ricky's mother and dad , sisters, neices, nephews and Gilda. He loved his family with all his heart. Yeah, Ricky would be very pleased with the memories that have been shared and displayed so beautifully. Love to his family in Alabama. Praying for my boys that they will be okay. I know as we move on into their future they will honor their father with all they do. Ricky was very blessed. And we are all better to have been apart of his life. Much love,
Sincerely, Beth Haley*

Ricky and I have many memories together but most important is our 3 sons. Ricky spent countless hours at the Northern League baseball field, coaching, building and rebuilding buildings to new playing fields. Coaching baseball was his passion and he did a very good job, if I must say so myself. Took the league all the way to the World Series in Terrel TX. I believe we came in 5th. Ricky was a good man. My condolences to Clay and the other members of Ricky's family, including his RNP family. I worked with Ricky (and Clay) at RNP for 6 years and always appreciated his unique sense of humor. I will listen as the storms pass overhead this summer. What many will hear as thunder, I will recognize as Ricky hollering Roll Tide! RIP Ricky and blessings of peace to Clay and the other family members. T.R. Woodall

I always loved going down to Work Control on college game day. His Crimson Tide seemed to mostly get the best of my LSU Tigers but he never gloated. He just reminded me there is always next year. Sorry for your loss, and I suppose it's our loss too. D. Bolton

Enjoyed working with Ricky at RNP. Had many a good night at the ball field playing with the Bandits softball team. Condolences to the family and may Ricky rest in peace.
