“ Norma, Traci, Ryan and Jay, I don't know that I can find the words to express how sorry I am to hear of Jerry's passing. Last night after Traci called I found myself looking back to where all of my memories of Jerry started, Farmington Apartments. I will never forget Jay throwing the rock at Traci missing her but hitting me in the eye, Jerry was so mad! Then on to Dunlap when Traci and I would be laughing in the bedroom at night when we should have been asleep, or Ryan would come inside crying because because Traci and I would run from him while we were playing and leave him out. I'm sure as children we just about drove him crazy. Even though most of memories are from a time back when they are times I will never forget and i will forever hold them close to my heart. My thoughts and prayers are with you all. Anything I can do please let me know. I will see you all later today. Much love, Dana.
