“ Amber and family,

Please know that my thoughts and prayers are with you all during this difficult time. Ricky was a joy to be around, and he is truly going to be missed. There are many moments that I will never forget because of the humor that Ricky added to them! The seriousness of Ricky's request that we REALLY need to ride the golf cart during the most exigent circumstances still makes me laugh six years later. May the many great memories you have comfort you in the days ahead.
