“ So sorry to hear of Bob's passing, such a sweet loving person, our prayers goes out to you Violet and family. We met Bob at Hartville Reno Festival good many years ago. Saw him at many Bluegrass Festivals. Just saw him in August in Marion NC . He came over to jam with us, never knew that would be our last good bye. We wished him well with his heart surgery and talked about it after he found out I had open heart surgery a few years ago. The last words I told Bob I hope you have a good Dr. And a good hospital. RIP Bob one day we will meet again. Loved you and your music. Doug and Libby from Simpsonville,SC

“ To all of the Bragdon family: I must say, Bobby was one of the most cordial, friendly and memorable people I’ve ever had the pleasure of meeting and knowing. I met him several years ago at a Back Swamp Bluegrass jam. I’d never played Bluegrass music but read about a Saturday afternoon jam in the newspaper that morning and decided to check it out. Got there early, took a seat in the circle of chairs and introduced myself to a guy sitting across from me and his name was Robert Bragdon. I had no idea, at the time, that he was an accomplished Bluegrass musician. We chatted for awhile before others started coming in. I explained my guitar experience was Country, rock & roll, gospel etc. I told him that I’d never played any Bluegrass music and didn’t know any Bluegrass songs but that I had a good ear and asked him if he thought it would be okay if I sat in. He said a confident “Sure, Sure” and told me that when it came my turn to do a song to just say “pass”. Well I did and every time I’d look over at him and he was smiling giving me a big thumbs up. Within a matter of chatting for 15 minutes or so, I felt like I’d known this guy for years and by this time his name was Bobby or Boots. As people began coming into the room that afternoon, I noticed they would go by his chair and speak so I kind of figured he must know his way around this genre of music pretty well. He made me, a complete Bluegrass neophyte, totally comfortable to sit in this circle of accomplished Bluegrass musicians on a hot & balmy Saturday afternoon. I had to leave that jam session early due to a prior commitment but he nodded to me on the way out and I knew I had met a really good person. As I drove away that afternoon, I knew I should have been sitting in the back of that room listening. But there I was, sitting and playing among the best Bluegrass musicians in the area and feeling right at home. All of that, because of Bobby Bragdon. Subsequently, I came to know him better and my admiration and appreciation for him really grew as we shared so many political points of view and solved ALL of the world’s problems. 🙏

What a wonderful ambassador Bobby was to Bluegrass music but he was an even greater humanitarian and citizen.

Violet and family, you all are in my prayers as you mourn the loss of

Bobby. Part of the legacy he leaves is truly one of goodwill and I know I'm a better man for the experience of chatting for 15 minutes or so with him on a very hot Saturday afternoon at the old Back Swamp Schoolhouse. In such a short time he left a life lasting impression with me. Prayers, God Bless!
