“*To Julia and family: My prayers are with you all. While I didn't know Bob, I know his beautiful and loving Mother and Grandmother. I grew up with Julie and was in her house more than my own. I love her family as if they were mine. Her parents were always so loving to me. Alex Webster was like my little brother too. I will always have fond memories of the things that we did as youngsters. I can see Julie's eyes in this handsome young man. If he was as wonderful as she is, then I know that he was a wonderful person also. May he be held in the arms of Christ, ready to soar into new heights in Heaven. May you all find peace in knowing that he is with God now and that you will see him again one day. May you be comforted now and forever more. Bless you all! Love to all!*

“ Words can not express how I'm feeling. My heart goes out to Alex. I'm honored through you I was able to meet the most amazing kid. I will forever cherish the good times and memories with you both. This past year you have touched my life like you will never know. Your smile and laugh was infectious, your carefree personality, your sense of humor and sarcasim will be greatly missed. There are so many country songs I hear and think of you. May you now Rest In Peace and be a guardian angel to Alex. You'll always hold a special place in my heart.
