“ Robert was a very special friend to me; and my son, Lucas Tolson's best friend ever. Lucas loved Robert so much and spent a lot of time with him working on cars. They shared the love of cars but I believe they enjoyed being together more. I loved to visit Robert and George Camp. What a pair of great friends...They could repair anything...Robert will be missed by so many. He touched more lives than you will ever know. He had a great love for God's animals as he cared for so many...To his family we send prayers to help you get through the days ahead. God bless each one of you. Roberta Huggins

He was loved by so many not just here in SC but in Tuxedo NY, Blooming Grove NY, Sloatsburg NY, Haverstraw NY, West Haverstraw NY, where ever he laid his tools. He is now the Head Mechanic up there in Heaven look out world for everything will be working in tip top shape now for you have the best mechanic there ever was. Rest In Peace till we meet again.*

“ If you were one of the many who had the pleasure of meeting "Poppy", you'll know that he was DEFINATELY one of a kind. God broke the mold when he made Robert Sr. It's only been a few hours, and you're already missed tremendously. Please remember, even though he is no longer here on earth with us, he will always live in our hearts and soul. Wanda, Lexi, Amber, Bugi.. Poppy will always be with you.
