“ Bob will be missed by many. I have many memories with him growing up as cousins and our moms were pregnant at the same time with us and born a few months apart.

Bob was a kind soul and is with God and his Dad and all the rest of our family. Sending love and prayers to all of my cousins during this difficult time 🙏🙏

“ Bob an I became friends when we roomed next door to each other at Wofford. In the last few years I would see him occasionally on the beach in Garden City, When I heard about his passing I was stunned. He was a genuinely great guy. He will be missed.

“ I knew Bob at Wofford. He was a great guy! He had a great personality and way more muscle than I could ever pull off. I also remember his hot-rod Camaro. I am so sorry for your loss. You're in my thoughts and prayers.
