“ *My thoughts and prayers are with Robbie's family during this difficult time. I have known Robbie for many years but had not seen him in a very long time until the last few months. I saw him 4 or 5 times recently in a antique store that apparently we both liked to visit. I am so glad I got the opportunity to see him and speak with him. Very nice guy.*

“ Teresa, one of the memories that always stays in my mind is the beach trip we all took when you and I were still in grammar school. Rob came back from the arcade and opened his trunk to a full load of stuffed animals and we got our pick. In my mind, it was like Christmas morning! Rob always seemed to be quietly in the background of whatever was going on, but was always ready to step in and help when someone needed something. I am so very sorry for what you all are going thru. I am always here if you need me. I love you!
