“ I would like to say that I am terribly sorry for your loss. I didn't know Robbie for a little while, but it was interesting getting to know him. The Friday before he passed, he handed me \$10 and told me to go and have lunch on him. I enjoyed the time that I had to know him and will truly say that there wasn't a dull moment. He kept me laughing from the time he came into therapy, until the time he left. My prayers and thoughts are with all of you.##imported-begin##Kimberly Tedder, PTA##imported-end##

“ *I don't know the entire family, but I knew some of you and my prayers are with you all.
I want timmy to know I love him with all my heart and I am thinking about him and his daddy Tommy at this time. If you need grandma, just let grandma know son. you have been through and seen so much tradey in your short life, but thru it all, God has still made a way for you after all. the future will be what you make it. Make the most of it, son. Maybe Michelle can help you make a difference, turn the tides that have been tossing you around and around and calm that old rugged sea you have had to swim in for so long.
You have my sympathy and prayers also Bonnie.
May God wrap his Loving Arms around each of you now, friend and foe alike and realize that He Is GOD. It is Him alone that will matter at this point of of our lives. But can I tell you one last note? He can and will make a difference each and every day if you will only serve Him. Ain't that right Christians?

“ Robert Jr. & James, I'm truly sorry for the loss of your Father. Robbie was a unique person in his own right. I have some very fond & special memories of Robbie & myself when we were both alot younger being raised up together on East Home Avenue. There's not much we did not get into back then. We had special friendship, that lasted til 01/07/09, the day he died.. Robbie lived his life like he wanted, and he would not hesitate to speak his mind or tell you what he thought.

I will keep both you & the rest of your family in my thoughts and prayers. If there's anything I can do for either of you, please let me know.##imported-begin##James H. McElveen##imported-end##
