Roger and I shared many classes throughout high school and we usually sat next to each other. Have not seen him since we graduated, but have thought about him often over the years.

Roger was always positive and happy. In high school Roger was very smart and as I recall he was the president of our senior class. Even though the class of 1962 has had numerous reunions, I do not remember him attending any of them. He was always missed. Roger leaves behind many happy memories. We'll miss you Roger.

“ I so enjoyed seeing the pictures of Roger through the years. I hadn't seen him in many years, but have such good memories of him and our years at HHS. We were in many classes together and were both on the staff of the school paper. We "collaborated" on many articles and it was always fun to be around him and work with him. I hope that he always kept that wonderful enthusiasm for life that so endeared him to his many friends in high school.

My sympathy to and prayers for Roger's family at this most difficult time.
