“*Four years ago' my wife and I met BJ and Ron while we were in Hawaii. It was immediately apparent that these two people were meant for each other. Ron radiated happiness that is reserved for only a lucky few; and he was one of those few.*” Al and Eloise Dunn

“*Dear B.J., I wish I had known Ron better. I remember how nice he was, when you both came to Mother's funeral and stayed all day long. Not many people would have done that, but I know you were there supporting Jeannene. How special that you had Ron to do that, too. I hope to get to know you better in the future, too. Ron was only a couple years older than me. I know he is resting in peace now, in paradise that was waiting for him, and out of all pain. When there is nothing we can do about any certain situation, we just have to accept it, as I'm having to do with something going on in my life. It's not easy though. But this isn't about me...it's about you and your difficult time, right now. . May God give you the comfort and strength to carry on. You are a beautiful person on the inside as well as the outside. God will help you through this time. Love, Judy and Kirk*”

“ Dear Mrs. Sansbury, Kathy, Connie, and extend family, On behalf of Embrace Hospice and the Howard Family, I would like to express a heartfelt sorrow for your loss. In the book of John chapter 14, reminds us that in my Father’s house are many rooms; if that were not so, he would have told us and He went there to prepare a place for us. Family, earth is not our home, and we are only passing through this land, so hold on to the promise, for one day we will see our loved ones again. My prayer is that God will continue to hold you close as you press on.

“ I have so many special and fond memories of Uncle Vince. He was always so kind to me and my sister, treating us as if we were his own. And he was such a great cook!!!! I enjoyed my times with him, Aunt Joyce and Rhonda growing up. He had such a great time at Rhonda's wedding. He was so very proud of her and the happiness was written all over his face! Then his first grandchild came and it was love at first sight. He took such good care of Aunt Joyce until she passed on. And I remember when he came to see Granny Ethel in the hospital and told us of his new love he had found, BJ. BJ, you made Uncle Vince very happy. I am so thankful he had you up until the end. Your wedding was such a sweet and special day that I am eternally grateful to you both for having me be a part of it. Please know how much he dearly loved you. You will always be family to us and we are here for you...always.

*With much love and prayer to BJ, Rhonda, Ken and boys,

“ *Pop, I surely am going to miss our sushi dates and special shopping sprees we shared, among many priceless moments. You taught me so many valuable life lessons even if I didn't want to hear them. You stepped up and took a fathers position in my life where mine was absent. You were such a wonderful man that gave me hope and security when all of my dreams and hopes of seeing any light at the end of my tunnel had seemed so forever gone. I had given up on ever finding "a good man" until you showed me there still are good ones out there. You picked me up and put me back on my feet with God's help. I will be forever grateful for being there for me and my son, we will always have you in our thoughts and prayers. And lastly I'll never forget when you told me that there were "no steps in your family" even if I was literally your "red headed step daughter". With all our love, Love always, Amanda, Michael, and Josiah Batchelor.*

“ Oh how we are going to miss him! He was a part of our family for so long and such a loving husband and father. He was also a wonderful uncle to our children and grandchildren. What a legacy of love he leaves behind with his precious daughter and grandsons. Rest in peace, Vince until we meet again. Give Joyce and Daddy a hug from us and rest easy knowing that we will be here for Rhonda and BJ. We love you....
