*A pleasure to have known her. So sad a prior obligation kept me from attending the funeral. Prayers for the family.*

“ *She was the sweetest, most kind hearted person that I have ever met! Her laugh and her wit was always something that would put A smile on your face. She has gone home to be with our father, and the many loved ones that left before her. Grandma---I will always love you so very much! I will truly miss everything about you. Thank you for your guidance over the last 40 years...it is an absolute honor to have YOU as my grandmother, my namesake...and Gabe's namesake as well. I am thankful for the time we shared together, and that my son was a part of your life! I will cherish those pictures always. The night you passed, he said his sweet prayers to Jesus and YOU. His memory of you will always be something he will cherish forever---I wish he could have had more time to love on you...I wish we ALL could have had more time to live on you. Please give Granddaddy and My mother (Marcia) a hug for me. Your grandson----Steve Goodson*
